**Revised Dollar Amounts in Official Forms 106C, 107, 122A-2, 122C-2, 201, 207, 410, Director's  
Forms 2000 and 2830, and certain instructions, effective April 1, 2025**

Automatic adjustments will be made on April 1, 2025, to dollar amounts stated in various provisions of the Bankruptcy Code, one provision in Title 28, seven Official Bankruptcy Forms which contain adjusted dollar amounts, the Instructions for Individual and Non-Individual Debtors, two Director's Forms which include dollar amounts, and one set of instructions for a Director's Form which includes a dollar amount. The adjustments will apply to cases filed on or after April 1, 2025.

Section 104 of the Code provides that the Judicial Conference make the adjustments, which are calculated at three-year intervals on the basis of the change in the Consumer Price Index for the most recent three-year period ending immediately before the year in which the adjustment is made and rounded to the nearest \$25. The Conference has delegated that authority to the Administrative Office.

<sup>1</sup> The New (Adjusted) Dollar Amounts reflect a 13.2004 percent increase, rounded to the nearest \$25. This is the change in the Consumer Price Index for All Urban Consumers from December 2021 to December 2024. 11 U.S.C. § 104(a)(1).

<sup>2</sup> There is no dollar amount currently set forth in 11 U.S.C. § 1182(1). Most recently, the Bankruptcy Threshold Adjustment and Technical Corrections Act (BTATCA) (Pub. L. 117-151, 136 Stat. 1298) added a dollar amount to that section, but the BTATCA provision that included the dollar amount expired on June 21, 2024.
