On March 12, 2020 the United States Bankruptcy Court for the Northern District of Ohio issued a Notice regarding public health concerns in light of the COVID-19 outbreak. Consistent with the Court's Notice and the statements from the Centers for Disease Control and Prevention (CDC) having advised people to take precautions and per direction from the United States Trustee, chapter 7, 12, and 13 trustees will accommodate debtors' reasonable requests for continuances of section 341 meetings that are related to the COVID-19 outbreak. *See* <https://www.cdc.gov/coronavirus/2019-nCoV/index.html>.

Unless otherwise provided by the trustee, debtors who seek a continuance must file the required rescheduling notice with the court, provide notice to creditors, and stipulate to the extension of related deadlines.

Debtors also may seek other alternative meeting arrangements by contacting the trustee.
